

# Swedish Singer/Songwriter Jenny Holmgren Releases 2<sup>nd</sup> Album “Secret About You” Showcasing her Mesmerising Modern Folk, Pop & Country Sound

Anelia Records

*Following up on her well received (and reviewed) debut “It’s Like You Carry Wings”, Stockholm-based singer/songwriter Jenny Holmgren recently announced the release of her much anticipated follow up album “Secret About You” featuring the production expertise of Tassos Spiliotopoulos. Fans couldn’t be happier with the news.*

**Release Date April 26, 2018**

With a hypnotic voice and enchanting energy, Sweden’s [Jenny Holmgren](#) is a singer/songwriter who has quickly come into her own. Citing influences that range from modern folk, country, pop and rock, the rising star has shown an ability to craft songs that draw listeners into her world in the most magical of ways. In exciting news for fans of her first album “It’s Like You Carry Wings”, which won the artist a great deal of critical support, Holmgren has expanded her sound further recently announcing the release of her second album on Anelia Records “Secret About You”, where she’s joined by acclaimed guitar player and producer Tassos Spiliotopoulos to help round out her sound. The early response from old and new listeners alike has been passionate.

*“I put my heart and soul into ‘Secret About You’ and I think it shows,” commented Holmgren about the new release. “We weren’t bound by strict musical styles, just in playing songs that are important, that have something to say and are fresh and honest.”*

Some highlights of “Secret About You” include: “Swing”, “Child of War”, the album-title baring “Secret About You” and “A Good Day”. All ten songs on the album are original work, pointing to a very bright present and future for an artist whose creativity clearly knows few bounds.

Classically trained at places like the Royal Academy of Music in London, and with 12 years of experience performing in West End theatres and other venues, the freshness of Holmgren’s sound is balanced by a deep understanding of classic music structure, vocals and the self-discipline of a true professional. All these qualities have come together and it definitely shows with the release of “Secret About You”. Jenny Holmgren is poised to be much more than a secret in the world of modern folk, country and pop music where she certainly shines in a quite remarkable way.
